BOARD SWIPES

The Board Swipe function of your Meal Plan gives you access to our all-you-care-to-eat dining halls, Morgan Dining Hall.

MEAL EQUIVALENCIES

Meal Equivalencies may be used in both locations where you can use a board swipe, but you're also able to use meal equivalencies at additional dining locations. This function of your Meal Plan allows you the option to exchange a board swipe for a convenient meal in one of our retail locations like Chick-Fil-A, Panda Express, Saladworks, Bento Sushi, and more. Each Meal Plan includes a certain number of equivalencies that can be used weekly or per semester, depending on the plan purchased.

The breakfast equivalency rate is \$6.71. The lunch and dinner equivalency rates are \$9.25.

DIAMOND DOLLARS

The Diamond Dollars program is Temple's campus-based debit card solution that eliminates the need to carry cash. Everyone who has a [Temple University OWLcard](#), has a Diamond Dollars account. Depending on your Meal Plan, you may have Diamond Dollars added to your account that can be used for things like covering a balance when you spend more than the meal equivalency rate at one of our retail locations. For example, if you're using your Meal Plan and decide to order lunch at Saladworks in the Student Center and your order totals \$9.75, the meal equivalency rate (\$9.25) will be deducted, so your balance is now \$0.50 and can be covered by asking the Cashier to use your Diamond Dollars. Additional Diamond Dollars can be added by visiting [Temple's Diamond Dollars](#) website.
